

LOOTGAMING™

The logo for 'Swords and Souls' is centered. It features the word 'SWORDS' in a large, black, gothic-style font with a white outline. Behind the letters are two crossed swords. Below 'SWORDS' is the word 'AND' in a smaller, black, serif font. Below 'AND' is the word 'SOULS' in a large, blue, flame-like font with a white outline. The background is a dark, blue, misty landscape with jagged mountains and a body of water in the foreground.
